

DEBIT CARD AGREEMENT

To: CS Alterna Bank ("Alterna Bank")

This agreement is intended to govern the use of debit cards. In consideration of Alterna Bank issuing to me one or more Debit cards (each individual one of which is hereinafter referred to as the "Card") and one or more personal identification numbers ("PIN") for use with one or more of the Cards, the undersigned (the "Client") agrees that:

Definitions

1. ATM (Automated Teller Machine): An electronic terminal, used by Clients to access their accounts for debit card services provided by Alterna Bank. ATMs include electronic terminals operated by Alterna Bank or other institutions through which a Client can access his or her account(s).
2. Client: The undersigned Client of Alterna Bank.
3. PIN (Personal Identification Number): A secret code (number) selected by the Client for use in conjunction with the Card, to confirm the identity of the Client, and to authorize transactions effected by use of the Card.
4. POS Transaction (Point of Sale Transaction): A transaction effected by use of the Card at an electronic terminal used by the Client to pay for goods or services by debit to his or her Alterna Bank account(s).

Liability

5. Debits to the Client's account(s) may be made for withdrawals, transfers or POS Transactions effected through the use of the Client's PIN and Card (at an ATM, POS Terminal, or otherwise) by the Client or by anyone using the Client's PIN and Card. The Client shall be liable for all such debits, whether or not such debits or use of the PIN and Card have been authorized by the Client, except as otherwise expressly provided for in this Agreement.
6. The Client agrees not to obtain a cash advance from an ATM or engage in a POS Transaction in excess of the total amount then on deposit in the account(s) of the Client with Alterna Bank and the approved limit under the Client's Line-of-Credit Loan Agreement or Overdraft Protection Agreement. If a cash advance(s) is obtained and/or if a POS Transaction is engaged which is in excess of that total through the usage of the Client's PIN and Card, whether or not such usage is authorized by the Client (except as expressly provided in this Agreement), the Client agrees to repay the total amount of said cash advance(s) or POS Transaction(s) to Alterna Bank forthwith with interest at the current interest rate being charged by Alterna Bank.
7. The Client shall be responsible and is liable for all use of the Client's Card and/or PIN, including entry errors made by anyone using the Client's Card and/or PIN at ATMs or POS Terminals, except as otherwise expressly provided for in this Agreement.
8. The Client shall be responsible and is liable for fraudulent or worthless deposits made through use of the Client's Card and/or PIN.
9. The Client shall not be liable for losses or debits to the Client's account(s) that result from circumstances beyond the Client's control. Circumstances beyond the control of a Client are those circumstances the occurrence of which the Client has not contributed to in whole or in part. The Client shall be deemed to have contributed to losses or debits to the Client's account(s), and is therefore liable for such losses or debits in any of the following circumstances:
 - (a) If the Client has made the Card and PIN available to any third party or has failed to take reasonable precautions to prevent a third party from having access to the Card and PIN;
 - (b) If the Client has written the PIN on the Card or has kept the Card and PIN together (or in such manner as to make them available for use together);
 - (c) If a PIN selected by the Client is the same or similar to an obvious or readily ascertainable number combination associated with that Client such as the Client's date of birth, account number or telephone number;
 - (d) If the Client has failed to immediately notify Alterna Bank of the loss or disappearance of the Card or of the PIN becoming known or available to a third party;
 - (e) the Client has failed to comply with any of his or her obligations under this agreement; or
 - (f) If the Client has in any manner voluntarily made the PIN available to a third party.

If the Client contends that he or she is not liable for one or more debits to the account(s), the Client acknowledges that there shall be an onus on the Client to demonstrate that the circumstances in question were beyond the Client's control. This means that the Client is required to demonstrate that the Client did not contribute, and is not deemed to have contributed, to the occurrence of the circumstances in question.

10. Loss suffered by a Client relating to or arising out of circumstances to which the Client has contributed, or is deemed to have contributed, for each individual transaction will not exceed the established ATM or point of sale withdrawal limits for the transaction in question. However, the Client acknowledges that in some circumstances, the resulting loss may exceed the actual funds in a Client's account where an account has Line-of-Credit protection, or is linked with another account or other accounts of the Client.
11. The Client will indemnify and hold Alterna Bank harmless from and against any and all losses, costs or damages as well as any and all claims or suits which may be brought against Alterna Bank by third parties because of the Client's failure to comply with instructions of Alterna Bank relating to the proper use, care, custody and control of the Card and the PIN and/or the Client's failure to comply with the obligations of the Client under this Agreement.

Procedures for Addressing Unauthorized Transactions and other Transaction Problems

12. In the event of a problem with a transaction using the Card and PIN, or an unauthorized transaction using the Card and PIN other than a matter related to goods and services provided by Merchants, the Client will report the issue promptly to Alterna Bank and Alterna Bank will investigate and respond to the issue on a timely basis. Alterna Bank will not unreasonably restrict the Client from the use of any funds subject to dispute, provided that the Client did not contribute or is not deemed to have contributed to the issue, problem or unauthorized transaction. Alterna Bank will respond to the Client's report of an issue, problem or unauthorized transaction in a reasonable timeframe, and will indicate whether or not any reimbursement will be made for any loss suffered by the Client. Reimbursement will be made for a Client's losses within a reasonable time after Alterna Bank determines that the loss in question resulted from circumstances beyond the Client's control. The Client acknowledges that in coming to a determination that a loss resulted from circumstances beyond a Client's control, Alterna Bank may request the Client to provide a written statement or affidavit as to the circumstances of the loss. Alterna Bank shall not be required to reimburse the Client for any loss should the Client elect not to provide the requested written statement or affidavit or should the Client not otherwise provide reasonable assistance to Alterna Bank in investigating the circumstances in question.

Dispute Resolution

13. If the Client is not satisfied with the response from Alterna Bank, Alterna Bank will provide the Client with, upon request, a written account of its investigation and the reasons for its findings. If the Client is not satisfied, the issue will be referred to the complaint resolution process as outlined in brochures located in branches and on our website. Neither Alterna Bank nor the Client will have the right to start court action until 30 days have passed since the issue was first raised with Alterna Bank.

Any dispute related to goods or services supplied in a POS transaction is strictly between the Client and the merchant and the Client will raise no defence or claim against Alterna Bank.

Lost or Stolen Card

14. If the Card is lost, stolen, misused, misplaced or destroyed, by any means whatsoever, or the Client believes the PIN may have become known to someone other than the Client, (all of the foregoing being collectively referred to as a "Loss of Card") the Client shall notify Alterna Bank immediately of the Loss of Card:

- (i) by telephone to the ATM Hotline Number. That number is currently 1-888-807-4101 anywhere else and may be changed from time to time by Alterna Bank. Any subsequent number will be posted in Alterna Bank branches and published on its website. On receipt of such a telephone notice (or any other oral notice) Alterna Bank may cancel the Card forthwith and, if it does so, shall notify the Client in writing; and
- (ii) in writing to any Alterna Bank branch. On receipt of such a written notice Alterna Bank shall cancel the Card forthwith and shall notify the Client in writing.
- (iii) in the event of a Loss of Card, the Client will be liable for all transactions and the resulting account activity incurred through the use of Card and PIN before the time the Client notifies Alterna Bank of the Loss of Card in accordance with the requirements of subparagraphs (i) or (ii) above. The Client will not be liable for any transactions and the resulting account activity resulting from the Loss of Card that is incurred after the time the Client notifies Alterna Bank of the Loss of Card in accordance with the requirements of subparagraphs (i) or (ii) above.

PIN Confidentiality

15. The Client must keep the PIN secret and confidential at all times. As set out in Section 9 the Client shall be liable for any losses incurred with respect to the use of the Card together with the PIN and for any access gained to the information in the Client's accounts if the Client contributes or is deemed to have contributed to such losses. The Client acknowledges that it constitutes a Card Loss within the meaning of Section 14 if the PIN is revealed or if the Client believes that someone else has learned it and that the Client must notify Alterna Bank immediately of such Card Loss in accordance with the requirements of Section 14(i) or (II).

Deposits

16. The Client agrees to enclose all deposits made by the Client with the Card in a specially marked envelope provided by Alterna Bank. When such deposits are made, the Client shall indicate to the ATM the nature and amounts involved in the transaction and the transaction record issued by the ATM shall be in whatever amounts are stated by the Client. Such transaction records are for the Client's records only, and shall not be binding upon Alterna Bank. Alterna Bank is authorized to open all envelopes so deposited and to deal with the contents in the manner in which it usually deals with items deposited by its Clients. It is expressly agreed that Alterna Bank's count or determination of the contents of the envelope shall be conclusively deemed to be correct and shall be binding on the Client.

17. Amounts credited to the Member's account as a result of deposits made by using the Card and PIN together will not be available for withdrawal until the deposits are verified and negotiable items such as cheques are honoured.

18. The Client will not deposit any coins, non-negotiable items or any other items not acceptable for deposit to the Client's account into any ATM and will pay Alterna Bank for any damages, costs or losses suffered by Alterna Bank as a result of such deposit.

NINE SECURITY TIPS

1. Your PIN is your electronic signature; never reveal it to anyone.
2. Do not use the same PIN for more than one Card
3. Never lend anyone your Card.
4. Memorize your PIN; do not write it down anywhere.
5. Never use numbers based on your name, address, telephone number, social insurance number or date of birth in your PIN; they are all too easy to guess.
6. Protect your Card at all times.
7. When you use your Card and have to enter your PIN, use your hand or body to block anyone else's view of the keypad. Don't be afraid of looking overcautious.
8. Make sure you take your Card and your transaction record when you are finished.
9. After making a withdrawal with your Card, put the money away immediately.
